

Dear Bill,

It was so very nice meeting you and it was so wonderful seeing someone with the sincere feeling that you have for Percy's music.

I happened to come across the enclosed copy that Percy's manager Sam Guty made up when he started working for him. I am sure you must have all the information it

entails but thought I would  
send it to you any way.

I hope we may  
meet again and you will  
always be welcome in  
our home.

Thanks again for  
the beautiful flowers  
Most sincerely  
Dolly Faith
